# EOUS® TECHNICAL RIDING SHIRT WITH X-STATIC®

Long Sleeve in White

## X-Static® Fabric Features:

- Anti-bacterial: Eliminates 99.9% of bacteria in less than one hour of exposure.
- Non-Toxic: Made with pure silver, a naturally occurring element with no added chemicals.
- Temperature Regulating: using reflective properties .
- Machine Washable: X-Static is NOT a surface treatment. Silver is irreversibly bound to a polymer so it becomes a physical part of the fiber. X-Static is permanent and performance does not diminish over time. In fact, X-Static has been tested for more than 250 washes with virtually no reduction in antibacterial performance.
- Breathable / Moisture Wicking

## Technical Shirt Features:

- Half zipper front and collar tab for stock tie or collar
- Dropped back to keep rider covered when in the saddle
- Hidden back pocket
- Long sleeve has thumb holes for additional warmth in winter
